

Dear Daren Sardelli,

We had a great time listening to all of your poems. They made all of us laugh and have a great time. My favorite poem was the Boy who had a dog named Cooper. But I loved every single poem. Your dream was the most interesting ~~poem~~^{Dream} I have ever heard. All of your poems were all so fun and laughable. How do you rhyme so well? I try rhyming words and they never come to rhyme. All of your poems I laughed to. When you publish your first book I will definitely buy it.

From,

Kidia
