

Dear Darren Sardelli,

**Thank you for coming in,
I remember the poem about the hit in the chin.
It was really really really funny,
But I didn't hear a poem about a bunny.
I heard some poems about ice cream,
Some kids laughed some kids screamed.
Thank you for inspiring me,
You set my imagination free.
This poem is to say thank you,
For everything you did here and do.**

**From,
Kevin**
