

The Strangest Soccer Team Ever

By Shannon [REDACTED]

Jim tried out for a soccer team.

The right fielder is Ted.

While playing, he always ate bread.

The left fielder is Fred.

He looks like an arrowhead.

The goalie is Ed.

In goal, he always slept on a sickbed.

The middle fielder is Sue.

Her face is dark blue.

The right defender is Meg.

On her foot, she has a wooden peg.

The left defender is Bob.

While playing, he always ate corn on the cob.

I found out this was the strangest soccer team ever!
