

Wacky Store

By Cassie

I went to the store one day,
And I saw a pile of hay,

I walked passed it and then,
I saw a huge hen,

I went to get some eggs,
And I saw a cow dancing on two legs!

I looked behind a stack of books,
And saw a pig reading Having Good Looks!

I went to see the toys,
I heard an awful lot of noise,

And then I saw a horse,
Running a toy race course!

I went to the front of the store,
And I saw more!

I went to see the name of the store,
It was called Barn Yard Animals Galore!
